       See Comments below       OTHER – See comments below.**COMMENTS:**

This bill would require a state agency to develop a publicly accessible Web site containing specified information about expenditures by that agency of state funds.

The April 2, 2008, amendments made nonsubstantive technical changes to the bill and added a co-author. The remainder of the department's analysis of the bill as introduced February 5, 2008, still applies.
